Dear Parent(s) / Carer(s)

Aspire Programme 2018

I am delighted to inform you that your child has been selected to participate in the Aspire Programme. We had a large number of nominations, but after careful consideration under a number of criteria we would like to invite your child to participate.

The project will run for the rest of the academic year during which time your child will receive personal academic mentoring and be encouraged to be involved in a broad programme of activities that are designed to enrich their learning experience at school.

We will be meeting all of the students during form time at school next week to fully explain the project and provide them with further information.

If you would like your child to be involved in this project, please sign the consent form and return to the school by Friday, 9th March.

I will be in touch after this time with more details of the programme.

Yours faithfully

Ms Lauren Thomas
